D.O. No. N-19011(50)/4/2022-e-Panchayat

Dated: 01, November, 2022

Dear Ma'am/Sir,

As part of GeoSmart India Conference (scheduled for 15-17 November, HICC, Hyderabad), a two-day exclusive program on "**Land and Property Management**" with the theme "Geospatial Technology Advancement and Private Sector Engagement" is scheduled to be held on 16-17th November, 2022 in HICC, Hyderabad. Ministry of Panchayati Raj is co-organizing the said event in collaboration with Geo Spatial World.

2. Geospatial technologies are making an important contribution to India's development projects like SVAMITVA enabled by infrastructure, solutions and APIs in order to accelerate technology adoption. This Ministry has been taking active steps to adopt new technology for rural development especially the planning related projects in rural areas.

3. As co-organizer of the event, I on behalf of the **Ministry of Panchayati Raj** would like to seek your participation of alongwith 2-3 officers in the said program to accrue rich dividends in terms of enhanced awareness and understanding of geospatial technology in rural planning. The participants of the event would immensely gain by getting first-hand experience of various applications of the technology in areas linked to land and property and into cross-sectional implications. The event would also allow the participants to be exposed to best practices and practical demonstrations of the latest development in mapping, surveying and Geospatial Technology for land sector.

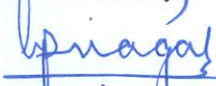

Various themes of the program are:

- Reforming Land and Property Management in India: An Economic Value
- Technology Integration and Advancement for efficient Management
- Public Private Partnership: Scope and Model of Engagement
- Integrated Cadaster and Registry: The Future of Public Service
- From Map to App for Integrated property validation: Towards Integrated Land Information System

Additionally, on the sides of the conference participants would have the opportunities to see the exhibition of more than 1600 sqm space showcasing advance technologies and projects of more than 50 exhibitors.

4. In view of the above, you may consider nominating at least 3-4 officers from your organization on complimentary basis to participate at the event. We are looking forward to your response and hope that you will be able to be the part of the conference. In case you like additional information, you may contact Ms. Anamika Das, Geo-Spatial World at +91 9810665767 or email anamika@geospatialworld.net.

Yours Sincerely,

(A.P. Nagar)
